Ukrainian Youth Association in the United States Takes Off

This year's gathering of the Ukrainian Youth Association in America at the CYM home in Ellenville, New York, held under the slogan "Evil will perish and truth will prevail," brought together over 650 participants, according to a report by Ukrinform, referencing the Youth Association. The participants of the CYM America Youth Association were blessed by CYM General Chaplain Rev. Stepan Sus. In his sermon, the bishop reminded the audience that "to be a CYM member means to be ready to shine for others, to be a beacon of great love for God and Ukraine." It should be noted that this year the Ukrainian Youth Association in America celebrates its 75th anniversary and consistently honors the memory of Ukrainian Heroes - defenders who gave their lives for Ukraine.

Among the latest Heroes of Ukraine are those who belonged to the CYM.

On May 31, 2024, the Father and Head of the Ukrainian Greek Catholic Church,

His Beatitude Sviatoslav, met with representatives of the international charitable organization "Aid to the Church in Need" (Kirche in Not) at the Patriarchal House in Lviv. The Head of the UGCC explained to the international delegation the importance of the Pope's [Easter Message](#) for the exchange of prisoners "all for all" and the significance of his own [call](#) for the release of women, doctors, and clergy from captivity. The sides separately discussed church-state relations in Ukraine, the church's advocacy work before the world community, and social service in times of war. His Beatitude Sviatoslav emphasized the importance of the upcoming peace summit in Switzerland (June 15-16), stressing the search for a "peace formula" to end the war. He also called on representatives of Aid to the Church in Need, particularly those from Latin America, to bring the truth about the genocidal ideology of the Russian world to the countries of the Global South. At the end of the meeting, the Head of the UGCC expressed his sincere gratitude to Aid to the Church in Need for its unwavering support of the UGCC. Representatives of the organization, for their part, assured of further assistance and dissemination of information about the war in Ukraine and the heroic ministry of the Church at the global level. This meeting was a testament to the strong ties between the UGCC and Aid to the Church in Need and emphasized the importance of the Church's role in providing humanitarian, spiritual, and advocacy assistance to the Ukrainian people during the war.
