Purpose: To raise funds for Durham Ukrainian Relief Fund (DURF) which has been established to provide financial assistance to Ukrainians fleeing the war and settling in the Durham Region.

As we look ahead to the summer months, many of us are looking forward to spending time with family, visiting friends and enjoying a break from our daily routines. Before you begin to enjoy well-earned vacations and/or time with family, we ask that you consider leaving your weekly church donations ahead of time. The parish will still incur expenses; have bills to pay and must still meet its financial obligations through out the summer months.

Christianophobia in Canada: Hate Crimes Skyrocket by 260%

(ZENIT News / Ottawa, 16.08.2022) - Canada is positioned at the level of countries such as Nicaragua and Venezuela, when it comes to Christianophobia, as reflected in the official figures published last August 2 by Canada Statistics. The Report includes violent crimes reported by the police in Canada, revealing that the greatest increase in selective crimes was against Catholics, with an increase of 260% between 2020 and 2021.

Anti-Semitism increased by 47% and opposition to the Muslim community by 71%. The Catholic Civil Rights League reported that the period of resurgence of vandal attacks against the Church occurred after the publication of reports on alleged events in residential schools for children of the native peoples of Canada. There was talk of mass graves in former boarding schools, for example, but without checking the information.

The Catholic League maintains the most important online database of attacks. However, Christianophobia is not only manifested in vandal acts, usually anonymous, carried out by some. In 2018 Canada's Supreme Court ruled that if a Law student graduates from the Christian University of TWU and is opposed to "homosexual marriage," he cannot practice in two provinces.
